

Welcome to the
15th Annual
**NORTH POINTE
 CHRISTMAS CELEBRATION**

The Greatest Gift

It's why we Believe

On behalf of the cast, crew and congregation of North Pointe Baptist Church, I would like to invite you to be a part of a unique Christmas celebration. Because of global economic, social and political changes, life in America has changed dramatically; our values are being challenged, our budgets are being stretched, and our American dream doesn't seem so attainable anymore. In order to reflect the growing need for security and community in our world, North Pointe has purposed to follow God in the way we celebrate Christmas.

Our Christmas production, "The Greatest Gift", will have a much different feel than those of the past. The presentation will be more interactive, more Christ-focused, and more community-building than ever before. At a time when economic realities have changed our gift-giving practices, it is more important than ever for us to come together and focus on the vital aspects of life: faith, love, relationships. Our hope is that "The Greatest Gift" will be a present that we can all open, because God has provided everything we need to have a great Christmas and an abundant life.

We are inviting you to not only come and watch this presentation of the life of Christ, but to experience "The Greatest Gift" in a fresh, life-changing way. And, we are calling on you to bring every person in your circle of influence to one of the five performances as well. There are people in your life that need peace and hope right now in their lives, and we want to partner with you in ministering to them. We look forward to seeing you soon and celebrating Christ, "The Greatest Gift".
